

Episcopal Bazaar Is A Splendid Success

A most enjoyable evening was had by all who attended the bazaar given by St. Andrew's Episcopal church Thursday, November 22, at the Woman's Club. Multi-colored streamers of crepe paper were strung across the room with hundreds of gay balloons hanging from them, giving a festive air to the occasion. The colorful decorations were the handwork of the Young People's Society and brought forth many exclamations of admiration. They also had a candy booth with Miss Dorothy Carson in charge to tempt those with a taste for sweets. The hall was filled to capacity by those wishing to partake of the splendid full course dinner served to 300 people between 6 and 8 p. m. by the Women's Auxiliary under the capable direction of the president, Mrs. Carson.

The booths were then opened, including a fish pond which proved to be very popular with the kiddies and older folk as well. The ham and bacon booth, Indian blanket booth, and one that had a variety from groceries to jewelry were well patronized and provided plenty of sport for the crowd. Arrangements for these booths were under the supervision of the vestry, with Mr. Frank Buffington acting as chairman. There was also a lovely display of aprons, bags and various articles made by the ladies of the church. Two very clever fortune tellers entertained those who wished to delve into the past, present and future.

At 8:30 o'clock, a very talented program, arranged by Madame Teala Billini, was presented, with Willis M. Brooks acting as master of ceremonies. Dancers from the King-Murray Dance Studios at Broadway and Fourth street in Los Angeles were among the entertainers. The program was as follows:

Parade dance, Arnold sisters; military tap dance, Celeste sisters; waltz, Arnold sisters; "Alice Blue Gown," "Heart That's True," "Love in Brazil," sung by Mrs. Burdette Kay, radio artist. Oriental dance, Wanda Stevenson; tap dance, Gene Skinner; "Old Man River," "Big Bass Viol," baritone solos by Mr. Lewis Dreyer; tap ensemble, Celeste sisters; rope dance, Arnold sisters; "Malaguena," "French Waltz," piano solos, Madame Teala Billini; jazz trio, Celeste sisters; "Lazy Lane," "Light and You," sung by Mrs. Burdette Kay; tap strut dance, Celeste sisters.

The \$25.00 door prize was awarded to Mr. Ralph Wilmer while Ralph Sach received the \$10.00 prize.

Dancing was enjoyed throughout the evening to the music of the exclusive Pacific Coast Club orchestra.

The vestry wishes to take this opportunity to thank the merchants who so generously contributed to the affair to Mrs. Billini for arranging the splendid program and to those who gave so willingly of their time and talent to perform on it; to Mrs. Carson and her group of workers and to all those who came to the Bazaar and made it the huge success it was.

December Most Dangerous For People On Foot

Chief of Highway Patrol Warns Motorists to Use Special Care

SACRAMENTO, (U.P.)—Because December is the most dangerous month from the standpoint of automobile accidents, traffic officers throughout the state have been instructed to take special precautions. Raymond Cato, chief of the California highway patrol, announced today.

Records compiled by the patrol show December to always lead the other months in motor vehicle accidents, especially accidents involving pedestrians in urban centers. A safety campaign was sponsored last year with the result that for the first time in several years, accidents were reduced and fatalities declined from 155 in 1932 to 141 in 1933.

In announcing the campaign, Chief Cato listed the following warnings to pedestrians and motorists:

Fixed traffic officers and signals at street intersections.

Do not try to cross heavily traveled streets between cross walks.

Take your time.

Do not pass street cars stopped to take on or discharge passengers at loading zones, at more than 10 miles an hour. If there is no loading zone, stop until passengers have reached a place of safety.

Keep your windshield free from dirt and moisture.

Have your headlights and brakes properly adjusted.

Drive carefully at all times, and do not speed.

Do not drink intoxicants when you are driving or intend to drive an automobile.

Chief Cato pointed out that in addition to regular traffic officers, it is important that volunteer safety groups, usually inactive during this period, spur on their activities.

Development Of Large Housing Project Planned

New Corporation Formed To Improve 700-Acre Tract Near South Gate

Formation of a limited dividend corporation for the development of a 700-acre tract in South Gate in the near future, it was learned today following reports that a subsistence home-steads project was planned. Ross Gast, in charge of the development of the home-steads project in San Gabriel and San Fernando valleys, said after checking with Washington officials that he was certain no federal project was planned.

Limited dividend corporations have been provided for in recent legislation, it was learned today. Purpose of the act is to develop housing projects, and it will be the purpose of the South Gate project to provide housing facilities for approximately 5000 persons, it was declared today.

Repayment of the funds borrowed to develop projects under the limited dividend corporation act will extend over a period of 20 years, it is understood, and at an exceedingly low interest rate.
